INTERNSHIP PROGRAM REQUIREMENTS

After you have attended a meeting or program, check it off your list and begin writing a short, personal account. The purpose of writing an article for our newsletter is two-fold. It will give you an opportunity to record and reflect back on your experience, as well as sharing information and your point of view with our members. The article does not need to be lengthy or too detailed. It is more important for you to include your perspective, impressions, and what you have learned. It is also best if you write the article within a week of the event, while it is fresh in your mind. You can e-mail it to me at mrosner1@comcast.net. I will proofread it before sending it to our editor. The internship runs from September – May and you will receive a certificate at our annual meeting if you fulfill all the requirements. I am happy to sign any community service paper you need for school.
